On a cool but sunny day, the above group met at 3.00pm at the Healesville Country Club. A comfortable couch by the fire in the lounge, saw everybody relaxing with a refreshing drink of their choice.

Afternoon tea commenced at 3.30pm where everybody partook of the scrumptious repast on the buffet table.

This was followed by a "Michelle's Mini Tour" of the premises, where the group viewed one of the accommodation rooms and the games room. After making their way back through the "bowels of the earth" several of the group then made their way home, whilst the rest enjoyed the atmosphere of the lounge.
